The event transport network connects event-goers with the Perth CBD and the wider metropolitan area.

Tickets to Optus Stadium events include the cost of travel on all Transperth services for three hours before, during and after the event, or until end of service, whichever occurs first.

Please note that the services outlined in this brochure will vary depending on the event, and we ask that all passengers use the Transperth JourneyPlanner to accurately plan their trip prior to an event.

To use JourneyPlanner, download the Transperth app or visit [transperth.wa.gov.au](https://www.transperth.wa.gov.au)
